

CHILLIN' at WellSpring For the Summer

for completed K - 5th grade students

WellSpring Enrichment Program

Summer Series

9am - 2pm* (Lunch provided)

June 21 - June 25 Kids Cook Desserts and Party Food - Back by popular demand! This Kids Cook session will have kids planning a themed party and preparing all of the snack treats to go with it. We will also focus on making kid-friendly desserts that are perfect to compliment any meal. Parents are invited to a tasting party on the last day of camp. Don't miss it!

June 28 - July 2 Kids Cook Around the World - Hola! Bonjour! Buon Giorno! Ni Hao! Learn about food from around the world and plan an international tasting party for parents to attend on the last day of camp. Prepare traditional ethnic foods and even create some recipes of your own. Join us as we "travel" the globe in search of the world's best recipes.

July 5 - July 9 Lights, Camera, Action - Students will learn the basic steps to creating digital movies. In groups, students will decide on an idea, create characters, story boards, and props, and then film a short digital movie. We will also cover basic editing techniques and parents will be invited to a short film festival on the last day of camp.

July 12 - 16 Cartoon Creations - Wanted: Creative Minds. Join us as we enter the whimsical and wacky world of cartoon creation and set design. We will learn how to draw a cartoon world and then will turn some of our ideas into 3D masterpieces. Finally, we will use our new skills to design the stage props for WellSpring's Egyptian VBS celebration.

August 9 - 13 2 Cool 4 School - Get ready for school by creating your own custom school supplies! Your friends will be in awe when you show up at school with folders, notebooks, bags and more designed, decorated and personalized by you. You choose the themes and colors - plenty of ideas for boys and girls. One-of-a-kind creations made by you!
